

Quercus Woodland

Future Memorialisations

As the trees, shrubs and meadows of the Quercus Woodland develop, we plan to add further memorialisation options in this area.

Interments:

- Stone and Log Orbs

Engraved memorials:

- Wooden Stake Plaques
- 'Informal' Slate Plaques
- Stone and Log Orb Plaques
- Decorative Butterfly and Dove Plaques
- Additional locations for Bench Plaques and Bronze Stake Plaques

We will keep our website updated at www.rushcliffeoaks.co.uk as each of these additional options becomes available.

Ordering Your Memorialisation

To order your memorialisation, please fill in the enquiry form (*enclosed, or available from our website*) and one of our team will get in touch with you to guide you through the process.

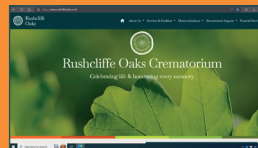

How to Find Us

By road: Rushcliffe Oaks is located 6 miles to the south-east of Nottingham and is easily accessible from the A52 and A46 major routes (*see map above*).

By public transport: The *Cotgrave* bus service runs every 20 minutes during the day from Nottingham and stops at the nearby *Golf & Country Club* bus-stop. Travel time from Nottingham railway or bus station is approximately 20 minutes. There is also a pedestrian access gate next to the *Shepherds P&R* stop at the north end of the site.

By bicycle: Rushcliffe Oaks is also adjacent to the Radcliffe-on-Trent to Cotgrave Country Park cycle way, and has Sheffield hoops available on site.

For more information about the services available at Rushcliffe Oaks, please visit our website at www.rushcliffeoaks.co.uk

Rushcliffe Oaks

Celebrating life and honouring every memory

Memorialisation Options

Honouring Every Memory

Rushcliffe Oaks provides a broad range of memorialisation options, from traditional, formal formats to more innovative installations. Each has been selected to complement the natural beauty of the site and we hope that amongst them you will find something that is perfectly suited for your personal commemoration of your loved one.

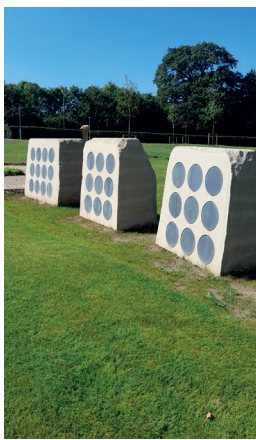

There is no requirement for your loved one's funeral service to have been held at Rushcliffe Oaks. All are welcome to make use of our memorialisation options.

Remembering the Past. Protecting the Future.

The nine acres of grounds at Rushcliffe Oaks are home to a wide variety of wildlife and we are committed to maintaining their habitats through sensitive management. For this reason, we have chosen to avoid some elements of more traditional cemeteries, in particular prohibiting the use of plastics, glass, and artificial flowers.

Instead, we encourage visitors to bring unwrapped natural cut flowers to lay in remembrance when visiting their loved ones' memorials. Our aim is to better protect the natural beauty of the site, maintaining it as a green and pleasant space for all and allowing it to provide its own beautiful backdrop to the memorialisations.

If you have any questions about which items are permitted on the site, please do not hesitate to contact us.

Columbarium Stone Interment Niches

These three large pieces of Stanton Moor sandstone have been uniquely designed for Rushcliffe Oaks to accommodate ashes interments within a natural 'standing stone'.

Each niche holds a single set of ashes contained in an urn and sealed behind a 25cm round engraved welsh slate plaque.

Leases available: 5, 10 or 25 years

Oak Avenue Kerbs

Oak Avenue is the central feature of the Acorn Gardens – a long, tree-lined pathway edged by Stanton Moor sandstone kerbs accommodating large 8" x 6" bronze memorial plaques.

A variety of colours, motifs and typefaces are available.

Leases available: 5, 10 or 25 years

Memory Tree Leaves

The Memory Tree is a 3.2 metre tall corten steel sculpture with a distinctive patina that protects it from the elements. There are attachment points for hundreds of engravable golden metal leaves, providing a beautiful option for a personalised inscription dedicated to your loved one.

Leases available: 5 or 10 years

Bronze Stake Plaques

Bronze memorial plaques with personal inscriptions are available for placement in your preferred area of the Acorn Gardens and are ideal for commemorating a loved one whose ashes have been scattered. A variety of typefaces, colours and motifs are available.

Leases available: 5, 10 or 25 years

Annular Seat Slats

Prominently located in the Acorn Gardens, the Annular Seat is a 10 metre wide ring-shaped bench. The installation comprises over 300 Iroko slats, each of which can be engraved with a personalised inscription, permanent for the lifetime of the weather-resistant hardwood.

Leases available: safe lifetime of the wood

Bench Plaques

There are six memorial benches in the circular Birch Gardens, beyond the Memory Tree. These Iroko benches match the style of the Annular Seat and can hold twelve 9" x 2½" bronze memorial plaques each. A variety of motifs, colours, and typefaces are available.

Eight further benches will be added later in the Quercus Woodland.

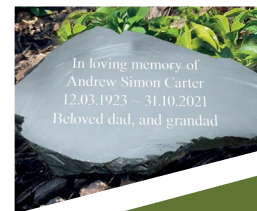

Leases available: 5 or 10 years

Slate Plaques

Plaques formed from individual pieces of slate are available for placement around the Birch trees in the Acorn Gardens.

Leases available: 5 or 10 years
